Gail Boggs

Gail Boggs, who hails from Toronto, Ontario, is the daughter of a Northern Ireland father and a Canadian mother. Before moving to Louisiana at the age of 12, her family lived for a time in Vancouver, British Columbia. Gail has one brother who lives in New Orleans.

Gail met her husband of 15 years in Monroe, LA. His job making printing ink brought them to Cincinnati. They had two sons: David, and his wife Peggie, live in Cincinnati; and Chris lives in North Carolina. She has one granddaughter, Kristine, who

graduated this spring from East Carolina University with a Bachelor of Science degree. A funny parenting story revolves around David and a soccer game. She noticed he was not moving around in the outfield and wondered why until he approached her with out-stretched hands. "Here Mom, hold these," he said. He had been picking four leaf clovers.

A career in graphic arts preceded a stint as a housewife. Then, armed with a degree in Child Adolescent Psychiatric Nursing from the University of Cincinnati, she worked at University Hospital, until moving to Maine to manage a child psychiatric unit.

An adventurer, Gail has spent time in the Canadian Maritime Provinces, visited China, Tibet, New Zealand, and Hawaii. River cruises took her from Budapest to Amsterdam and the Rhone River in Provence.

As a fiber artist, Gail makes art quilts. She is an avid reader, particularly of non-fiction. She has two rescue cats, Satin and Silky.

Gail was attracted to Bridgeway Pointe because of its proximity to Daniel Drake Center and the availability of treatments a short walk away.

This Year's Theme was Safari for the Annual Resident Family/Appreciation Picnic Held on June 5

Thank you for attending this year's picnic!

Mother's Day Tea

One of our favorite traditions is our Mother's Day Tea. We are so thankful for our mothers here at Bridgeway Pointe. What better way to honor them then to host a special celebratory tea. It was a beautiful May afternoon where many had a chance to say thank you to the mothers here at Bridgeway Pointe and listen to beautiful classical music with treats. We also enjoyed guessing famous mother's during our mini trivia session.

Greyhound Tavern Luncheon

We ventured across the river to Fort Mitchell for a historical luncheon at the Greyhound Tavern. This Tavern opened in 1921 at the time of the streetcar and was located where the streetcar made the turn back to Cincinnati. Many of the residents enjoyed this lunch and had many memories to share about how things were when they grew up.

Derby Day Fun

In celebration of the Derby, the ladies wore their derby hats, sipped on nonalcoholic mint julips, and cheered on their favorite horse to victory. Residents were very excited when Bridgeway Pointe Favorite "Speedy" redeemed himself on a second race win. We also spent the time learning about the history of the Kentucky Derby/Kentucky Oaks since it is such a popular springtime event. We hope everyone enjoyed the festivities!
